

## **WSDOT 2023 Scour Training**

5/30/2023 – 6/01/2023

### **Q&A for Module 1: Introduction (Julie Heilman)**

- **Q: Do the NHI courses need to be completed before requesting the WSDOT scour certification exam?**
  - Yes, the NHI courses for Stream Instability and Scour Countermeasures in addition to watching the FHWA Scour Workshops, should be completed before pursuing WSDOT Scour Certification.
  
- **Q: Will any of the NHI classes WSDOT is hosting be virtual?**
  - Yes, WSDOT is hosting several virtual NHI classes in 2023.
  
- **Q: Will the WSDOT scour certification exam focus on the WSDOT and FHWA training material? Or will it include information from the NHI courses?**
  - The exam will primarily focus on the WSDOT modules and the FHWA workshop material. The NHI courses have separate, respective exams and some NHI material may appear on the WSDOT exam.
  
- **Q: Will there be a limit on number of attendees in the NHI courses?**
  - The virtual courses have a 25-person limit. More courses will be scheduled as needed.
