

To Whom It May Concern:

Contract Provisions: COVID-19 Vaccination Requirements

On September 27, 2021, WSDOT released contract provisions to address compliance with the Governor's Proclamations 20-05 as amended and 21-14 as amended. The proclamations and provision address COVID-19 vaccination requirements on WSDOT contracts subject to the Standard Specifications for Road, Bridge and Municipal Construction. The full provision is below.

1 **(September 27, 2021)**

2 **Governor's Proclamation 20-05/21-14**

3 The Contractor, by submitting its Bid, agrees that it will comply with Governor's
4 Proclamations 20-05 as amended and 21-14 as amended, regarding COVID-19
5 Vaccination Requirements, and that it will require its workers, service providers,
6 subcontractors, suppliers, and their workers to comply as well. Furthermore, prior to
7 starting Work, the Contractor shall provide a Vaccine Declaration form (WSDOT
8 Form #271-050).
